THE KNOW YOUR NUMBERS PROGRAM DEADLINE IS THIS MONTH

You must complete your Know Your Numbers (KYN) Biometric Health Screening and Health Check Survey by Monday, March 31, 2025, or you will lose your \$600 medical premium incentive.* To make sure that doesn't happen, complete the following two steps:

- **Health Check Survey:** Access Wellness Online via MyChart to complete the survey.
- **Biometric Health Screenings:** View upcoming onsite health screening events at the end of the BeWell Bulletin and online. Make an appointment at the HII Family Health Center or with your primary care provider.

Step-by-Step Instructions: Visit myquadmed.com/kyn on how to complete the program and to view eligibility requirements.

Congratulations to the 12 HII employees who won six iPads, five Blackstone grills and one cookware set in the Know Your Numbers drawing giveaway*.

Need help with KYN? Email: hiowellness@quadmedical.com or call 757-327-4169.

**All HII employees are eligible and encouraged to participate in the Know Your Numbers program. Employees not represented by a collective bargaining agreement (Union), who are enrolled in an HII Anthem plan, can qualify for a Know Your Numbers discount of \$600 on their HII Anthem medical insurance premium if they complete the program by the March 31 deadline. Participating employees who do not qualify for the Know Your Numbers premium discount will be entered into a quarterly drawing.*

SPRING FORWARD AND STILL SLEEP GREAT WITH SLEEPIO

Daylight saving time shifts the clock ahead by one hour, which means more time for evening walks, outdoor time, or simply soaking up the sun. It also means that you lose an hour of sleep when we spring forward, but thanks to your HII benefit Sleepio, you can ensure that you still get a good full night's rest. Sleepio is an online sleep improvement benefit proven to help you clear your mind, improve your sleep and have better days in just six weeks. Whether you need a few basic tips or require more detailed guidance on how to improve your sleep, Sleepio can help by working with you on falling asleep faster, spending less time awake at night and functioning better the next day. Learn more and get started on hiibenefits.com.

SKIP THE SELF-DIAGNOSIS. START WITH A QUADMED PROVIDER.

We know it can be tempting to search online, but when it comes to your health, save yourself the worry and talk to your primary care provider first about your concerns. Schedule an appointment at the HII Family Health Center with a QuadMed provider. Visit myquadmed.com/hii or call 228-205-7700. (Gautier) or 757-327-4200 (Newport News).

Have you been getting enough restful sleep? Having a healthy sleep routine is important for your overall well-being.
